My guide to Japanese grammar has been helping people learn Japanese as it's really spoken in Japan for many years. This guide was created as a resource for those who want to learn Japanese grammar in a rational, intuitive way that makes sense in Japanese. The explanations are focused on how to make sense of the grammar not from English but from a Japanese point of view. Hiragana is the basic Japanese phonetic script. It represents every sound in the Japanese language. Therefore, you can theoretically write everything in Hiragana. Japanese Grammar Guide - Ebook download as PDF File (.pdf), Text File (.txt) or read book online. This guide is an attempt to systematically build up the grammatical structures that make up the Japanese language in a way that makes sense in Japanese.
