Live albums by great "live-bands" are always a welcome to my ears, this release is no exception. "Playing The Fool" shows Gentle Giant's unique live performances in a very good and sorted perspective with several instrumental "bonuses" added to many of the songs too. In modern day France, the first day of April is called "Poisson d'Avril" or "April Fish." An April fish is a young fish and thus, one which is easily caught. April Fools' Day (sometimes called All Fools' Day) is an annual (primarily) Western celebration commemorated on April 1 by playing practical jokes and spreading hoaxes. Durak (Russian: дурак, IPA: , "fool") is a traditional Russian card game that is popular in many post-Soviet states. Meanwhile it also became known in other regions of the world. The objective of the game is to shed all one's cards when there are no more cards left in the deck.
