

Download Anti Intellectualism In American Life

Richard Hofstadter

Professor Hofstadter sets the standard for the dissection of many facets of U.S. history. Here he tells the tale of the intertwining factors of American culture and politics that lead to prevalent anti-intellectualism. This article needs additional citations for verification. Please help improve this article by adding citations to reliable sources. Unsourced material may be challenged and removed. Professor Hofstadter sets the standard for the dissection of many facets of U.S. history. Here he tells the tale of the intertwining factors of American culture and politics that lead to prevalent anti-intellectualism. This actually brings up something that I just talked about in my Communications and Media class. If you don't know anything about something that you don't like, how can you possibly argue your point of why you don't like it.
