Magic and police procedurals collide in San Francisco in this new series starring a DC Universe favorite: Zatanna. Zatanna has long made her home in San Francisco. Black Canary is a fictional superhero appearing in American comic books published by DC Comics. Created by the writer-artist team of Robert Kanigher and Carmine Infantino, the character debuted in Flash Comics #86 (August 1947). Zatanna Zatara (/zəˈtænəˈzɑːrə/) is a fictional superhero appearing in American comic books published by DC Comics. The character was created by Gardner Fox and Murphy Anderson, and first appeared in Hawkman #4 (November 1964). Everyday Magic, though short, is indeed sweet. Zatanna is one of the few characters that I consider to be grossly underrated. Sure, the backwards magic talk shtick is a bit silly, but the character herself, if written well, is one of the more interesting characters to have ever graced the JLA watchtower.
