

# Download Bsa Engineering Merit Badge Book

Merit Badges are the second main area of the Boy Scout advancement program. Unlike ranks, there is a degree of choice in the merit badge program. Merit Badge Pamphlets: An official Boy Scout merit badge pamphlet has been created for the BSA by topic authorities for each merit badge. The pamphlets contain requirements, introductory information and supplemental reference text. You can learn about sports, crafts, science, trades, business, and future careers as you earn merit badges. There are more than 135 merit badges, and any Boy Scout or Varsity Scout, or any qualified Venturer or Sea Scout may earn any of these at any time. Merit badges are awards earned by youth members of the Boy Scouts of America (BSA), based on activities within the area of study by completing a list of periodically updated requirements. The purpose of the merit badge program is to allow Scouts to examine subjects to determine if they would like to further pursue them as a career or vocation.
