

Download Children With Autism A Study On The Impact Of Parents Psycho Social Factors

Selecting a school for an autistic child, especially a child who requires intensive therapies, is a weighty responsibility. The decision may have a profound and lasting impact on the child's life and family. Frances Arkin (1904-1991) Frances S. Arkin stammte aus einer jüdischen Familie in Boston. Sie studierte Medizin, promovierte an der Tufts Medical School und spezialisierte sich in der Psychiatrie. Dr. Evdokia Anagnostou. Dr. Evdokia Anagnostou is a child Neurologist and clinician scientist at Bloorview Research Institute. Dr. Anagnostou's research focuses on the psychopharmacology and neuroimaging of autism. Autism therapies are interventions that attempt to lessen the deficits and problem behaviours associated with autism spectrum disorder (ASD) in order to increase the quality of life and functional independence of autistic individuals.
