

# **Download College Guide Visual Arts Majors**

EvCC offers a variety of university transfer, professional, technical, vocational, job skills, basic skills and personal enrichment courses and programs. This program is made possible in part by funds from the New Jersey State Council on the Arts. The department offers courses in studio practice and in the study of the intersecting categories of art, architecture, visual culture, and material culture, from the distant past to the present. Based on high initial unemployment rates and low initial earnings, the following represent the least valuable college majors for your time and financial investment.
