

# Download Comic Book Fonts New Year Sale

Comic Sans MS is a sans-serif casual script typeface designed by Vincent Connare and released in 1994 by Microsoft Corporation. It is a casual, non-connecting script inspired by comic book lettering, intended for use in informal documents and children's materials. The comic book industry rakes in roughly \$800 million per year. Here's how much you can make doing the various jobs. I downloaded two of your fonts from 1001 Fonts. On the download page it said they were free for commercial use. But on your personal page it said not for professional use, and here you say for private use only. Modern computer fonts are stored in font description files, which contain the information for rendering the font on the screen (or on a printed page).
