Get your Kindle here , or download a FREE Kindle Reading App .Comics and Memory in Latin America Book Description: Latin American comics and graphic novels have a unique history of addressing controversial political, cultural, and social issues.Latin American comics and graphic novels have a unique history of addressing controversial political, cultural, and social issues. This volume presents new perspectives on how comics on and from Latin America both view and express memory formation on major historical events and processes.They also highlight the unique ability of this art and literary form to succinctly render memory. In sum, this volume offers in-depth analysis of an understudied, yet key literary genre in Latin American memory studies and documents the essential role of comics during the transition from dictatorship to democracy.
