

Download Computer Science Research Paper

Welcome to the Allen School. Consistently ranked among the top computer science programs in the nation, the Paul G. Allen School of Computer Science & Engineering educates tomorrow's innovators and engages in research that advances core and emerging areas of the field. Cornell CIS Sends Record Number of Students to Grace Hopper Celebration and ACM Richard Tapia Celebration of Diversity in Computing. More than fifty students, faculty and staff from Computing and Information Science attended the ACM Richard Tapia Celebration of Diversity in Computing September 19-22. Established in 1964, the Department of Computer Science at Western has developed strong academic and research programs to become one of the leading establishments in its field. The Computer Science Ambassadors are current CS majors who meet with prospective students who are interested in pursuing a degree in computer science at the University of Texas at Austin.
