This guided journey through Scripture is for anyone who: Knows what it's like to just not fit in; longs to feel known
In narratology and comparative mythology, the monomyth, or the hero's journey, is the common template of a broad category of tales that involve a hero who goes on an adventure, and in a decisive crisis wins a victory, and then comes home changed or transformed.
Superhero Therapy: A Hero's Journey through Acceptance and Commitment Therapy [Janina Scarlet] on Amazon.com. *FREE* shipping on qualifying offers. BRAND NEW, Exactly same ISBN as listed, Please double check ISBN carefully before ordering.
Joseph Campbell first wrote of the hero's journey - which he also called the Monomyth - in his book, The Hero With A Thousand Faces. His basic premise was that every myth and story follows the same steps; and that these steps somehow resonate within us as humans, and we respond to that kind of story.
