The colonial history of the United States covers the history of European colonization of America from the start of colonization in the early 16th century until the incorporation of the colonies into the United States of America. The history of external colonisation of Africa can be divided into two stages: Classical antiquity and European colonialism. In popular parlance, discussions of colonialism in Africa usually focus on the European conquests that resulted in the Scramble for Africa after the Berlin Conference in the 19th century.
