Going through a separation or divorce can be very difficult, no matter the reason for it. It can turn your world upside down and make it hard to get through the work day and stay productive. But there are things you can do to get through this difficult adjustment. Divorce, also known as dissolution of marriage, is the process of terminating a marriage or marital union. It usually entails the canceling or reorganizing of the legal duties and responsibilities of marriage, thus dissolving the bonds of matrimony between a married couple under the rule of law of the particular country or state. Family Law Courts hear cases involving divorce (dissolution of marriage), nullity, legal separation, and paternity, including related issues of spousal support, child support, child custody and visitation, and community property.
