It was written by David Bishop, released 8 April 2002 and featured the Third Doctor and Sarah Jane Smith. Synopsis Doctor Who disguises himself as a watchmender and visits 1950s London to discover the cause of a mysterious fatality in the East End. 4000 people died here - their deaths linked to a choking smog that blanketed the area. Amortality Tale is a BBC Books original novel written by David Bishop and based on the long-running British science fiction television series Doctor Who. It features the Third Doctor and Sarah Jane Smith. Synopsis. In the East End of London, the Doctor and Sarah get involved with gangsters and face a horror hiding in the Great Smog of 1952. A really creepy tale with The Third Doctor and Sarah Jane. Set amongst the backdrop of the London smog and West End gangs, Bishop wonderfully transports the read back to the 1950's. A great Doctor Who novel.
