

Download Economics In Minutes Niall Kishtainy

Dr Niall Kishtainy is a teaching fellow at the London School of Economics. In 2012 he edited *The Economics Book* for Dorling Kindersley. He has previously worked in international development in Africa and the Middle East, and as a government economist and journalist. *Economics in Minutes* condenses key economics concepts into 200 short and easily digested essays. Featuring not only fundamental ideas, such as the role of money and how the stock market works, but also subjects that are increasingly important to us today - unemployment, government debt and corporate tax avoidance, for example. *Economics in Minutes* condenses key economics concepts into 200 short and easily digested essays. Featuring not only fundamental ideas, such as the role of money and how the stock market works, but also subjects that are increasingly important to us today - unemployment, government debt and corporate tax avoidance, for example. *Economics in Minutes* is the ideal introduction to a complex and vital subject. *Economics in Minutes* condenses key economics concepts into 200 short and easily digested essays.
