

Download Fear And Loathing In Shanghai

The unpredictable, wild side of Shanghai still exists -- I just had to look a bit outside of the city center. That said, Yangpu District's area is eight times larger than Jing'an and I'd bet there's even crazier places up there. Fear and Loathing in Bustling Shanghai Daniel Williams Looking out from the old Broadway Mansions hotel in Shanghai up the Huangpu River, to the right stands the granite faced buildings of the Bund and to the left, Pudong District's gleaming glass skyscrapers.
