Nigella's 2005 book Feast: Food to Celebrate Life inspired Nigella Feasts, which debuted on Food Network in fall 2006. The Domestic Goddess returned in her second Food Network series, Nigella Express, launched in fall 2007 in conjunction with the release of Nigella Express. American audiences also know Nigella as host of Forever Summer with Nigella, her popular cooking/lifestyle series that aired on Style, and Nigella Bites, which aired on E! Entertainment Television and Style. 'We use food to mark occasions that are important to us in life. Feast is not just about the way we cook and eat at the great religious festivals or big-deal special occasions, but about how food is the vital way we celebrate anything that matters...it's how we mark the connections between us, how we celebrate life.'
