As you know, my wife now keeps me in a CB2000, male chastity device. You really can't tell I am wearing it under my clothes, and it is a constant reminder that my mistress, my wife, has complete control over me. It all started last autumn. I was renting a flat in London, a small bed-sit over a row of rundown shops where the smell from countless restaurants hung in the air like stale cigarette smoke. Chastity belts in BDSM may be used as part of a practice of orgasm control, to prevent the wearer from engaging principally in sexual intercourse without the permission of the dominant, who acts as "keyholder". Chastity is a virtue related to temperance, one of the seven virtues and it is defined as refraining from deviant sexual conduct. Chastity is usually defined within the moral standards and guidelines of a culture, civilization or religion.
