

# Download Finding God Waves Through Science

From the host of the popular podcasts, The Liturgists Podcast and Ask Science Mike, a story of having faith, losing it, and finding it again through science—revealing how the latest in neuroscience, physics, and biology help us understand God, faith, and ourselves. A story about having faith, losing it, and finding it again through science—revealing how the latest in neuroscience, physics, and biology help us understand God, faith, and ourselves. Ask Science Mike A weekly podcast where Mike McHargue answers your questions about science, faith, and life. You can ask a question using #asksciencemike or you can submit a question here. I like the faith message that I get out of the "literary device" viewpoint. My only minor quibble is that the order of Genesis 1 is close enough to the natural scientific order.
