ABOUT THIS SITE: The food notes provided for each state are meant as starting points for your research. They are not comprehensive; nor are they presented in a standardized format containing exactly the same information for each state, as you would find in an encyclopedia. Here in north-central Kansas, America's breadbasket and conservative heartland, the economic realities of agriculture make climate change a critical business issue. The James Beard Foundation Awards are annual awards presented by the James Beard Foundation to recognize culinary professionals in the United States, sometimes called the "Oscars" of the food world. Causes. Various religions forbid the consumption of certain types of food. For example, Judaism prescribes a strict set of rules, called Kashrut, regarding what may and may not be eaten, and notably forbidding the mixing of meat with dairy products.
