Coroneos Publications was started by Jim Coroneos, one of Australia's leading mathematics authors, from Primary School to the end of Secondary School. Parents often have a difficult decision where to get their child help. Some tuition centres focus on practice exam after practice exam leaving their child frustrated and tired. This is a list of grading systems used by countries of the world, first organized by continent, with links to specifics in many entries. A standardized test is a test that is administered and scored in a consistent, or "standard", manner. Standardized tests are designed in such a way that the questions, conditions for administering, scoring procedures, and interpretations are consistent and are administered and scored in a predetermined, standard manner.
