I purchased the 2012 'Red Book' after ordering the A Guide Book of United States Coins 2011: Professional Edition (Official Red Book: Bowers) last December when it became available, and much to my surprise, finding out the 'Professional edition' doesn't include a ...The United States of America is a vast country in North America. It borders on Canada to the north and Mexico to the south, and has a land area of about 9.6 million km² (about half the size of Russia and about the same size as China).The United States contains a highly diverse population. Unlike a country such as China that largely incorporated indigenous peoples, the United States has a diversity that to a great degree has come from an immense and sustained global immigration.
