Everyone seems to agree that our economic system is broken, yet the debate about alternatives remains oppressively narrow. Hardt and Negri explode this claustrophobic debate, taking readers to the deepest roots of our current crises and proposing radical, and deeply human, solutions. The Critique of Pure Reason (Kritik der reinen Vernunft) is a 1781 book by the German philosopher Immanuel Kant, in which the author seeks to determine the limits and scope of metaphysics. What is narrative nonfiction? Narrative nonfiction goes under many names, including creative nonfiction, literary journalism, and fact-based storytelling. Politique de confidentialité FILMube .
