A hotel is an establishment that provides paid lodging on a short-term basis. Facilities provided may range from a modest-quality mattress in a small room to large suites with bigger, higher-quality beds, a dresser, a refrigerator and other kitchen facilities, upholstered chairs, a flat screen television, and en-suite bathrooms. It is argued that the impact of social media in travel and tourism must be understood in relation to the overall online tourism domain and specifically within a travel information search context. As we put the economic downturn behind us, we must be strategic in how we think about sales plans for our hotels. The plan should not just be about getting heads in beds at all costs.
