I've been teaching guitar for over 30 years and this is by far the best guitar method book that I've found for teaching teens and adults! From beginning to end it is well written with plenty of chord charts, easy to play songs and most importantly a step-by-step approach to teaching beginners how to read guitar music. This book is the perfect introduction to the Guitar, and ideal for the absolute beginner getting started with their first instrument! With absolutely no musical knowledge required, this simple yet comprehensive guide is perfect for adults and children alike!
