New York Times Bestseller “Both deeper and more democratic than *The Elements of Style*” – Adam Haslett New York Times columnist and college professor Fish appreciates fine sentences the way some people appreciate fine wine. In 10 short chapters, Fish takes readers through a cogent analysis of how to craft a sentence. Average copywriters write average sentences. You, I’m guessing, don’t want to be average. You want to be great. You believe you can be remarkable. That means you need to write damn good sentences ... without even thinking about it ... day in and day out. Do that and you’ll become an Stanley Fish on education, law and society. I try not to write the same column twice, at least not knowingly. But I have just come back from still another conference on originalism held, as it was last year, at the University of San Diego law school, and I was struck once again by the academic
