

# Download In The Hand Of Dante Nick Tosches

I read Nick Tosches' *In the Hand of Dante* a month or two ago, and I've been putting off this review ever since. Actually, I wasn't even sure I wanted to attempt a review because my opinions of the novel are rather ambivalent and, frankly, I didn't get a whole lot out of the experience. The official website of Nick Tosches, author of *UNDER TIBERIUS*, *ME AND THE DEVIL*, *WHERE DEAD VOICES GATHER*, *THE DEVIL AND SONNY LISTON* and more. Nick Tosches (/ ʔ t ʔ ʔ ʔ s /; born October 23, 1949) is an American journalist, novelist, biographer, and poet. His 1982 biography of Jerry Lee Lewis, *Hellfire*, was praised by *Rolling Stone* magazine as "the best rock and roll biography ever written." Nick Tosches has a hard voice to criticise, because it's based on a pose of having been to weirder places, seen weirder stuff and basically having lived a harder, darker and weirder life than the mere reader can possibly compete with.
