

# **Download Johnson Outboard Motor Manual 5hp**

Your Johnson outboard model number can usually be found on the nameplate located on the motor or the mounting bracket. The nameplate should contain a model number and a serial number. For sale is a used carburetor from a Johnson outboard motor. Part number 439984. Check with your dealer for application. Coleman Outboard Motors are lightweight and very reliable. The 2.6Hp four-stroke OHV motor runs quieter and meets EPA and CE standards. It is equipped with a TCI ignition for easy starting along with fan shifting with 360 degree steering. Welcome to the AFA Marine, Inc. outboard motor web page. We specialize in the sale of used boat motors, outboard parts, and antique vintage engines.
