

# Download Knots Craft Splicing Decorative Ropework

June 2, 2004. Unfortunately I no longer have time to update Knots on the Web. I know it contains many dead links and omits many good, new sites. Sailors and Fishing knots, various knots and hitches in Lovely old stuff. Decorative knots - Where Knots are used, Materials and Useful Literature Working with Ropes Applying the ancient skills of marlinspike knotting, Stonk Knots explores traditional and contemporary themes, transforming rope and cordage into both practical and decorative pieces. Macramé comes from a 13th-century Arabic weavers' word migramah meaning "fringe". This refers to the decorative fringes on camels and horses which help, amongst other things, to keep the flies off the animal in the hot desert regions of northern Africa.
