

Download Lifestyle Illustrations Of The 1960s

An enthralling overview of the astonishing artistic skill of the leading lifestyle illustrators of the period, Lifestyle Illustration of the 1950s reveals the changing social aspirations of the post-war generation and their growing optimism for the future. You've definitely got your magic wand and pixie dust in hand as the New Year begins, Pisces. What's different about your idealistic energy this month is that you actually have something else ...In New York in the late 1940s, underground publishers began to covertly produce alternate lifestyle magazines that contained a mix of prose, illustrations, and photographs. 1960s Fashion History can be traced very accurately by looking at old sewing patterns. These illustrations were some I had torn from an old sewing pattern book, decades ago and kept as reference. 1962 was scribbled on the original pages and they are so typical of early 1960s clothes. All the
