Making soap for the first time may be intimidating, but isn't difficult. This quick and easy beginner soap recipe comes with fun ideas for personalizing it by adding exfoliants, essential oils, etc. Standards for Mathematical Practice Print this page. The Standards for Mathematical Practice describe varieties of expertise that mathematics educators at all levels should seek to develop in their students. These are unfortunately, the poorest excuse for a Shinai that I have ever used. I teach and practice Kendo, the Japanese art of fencing. I ordered these hoping that they might work as a reasonable shinai for beginning students or people attending class for the first time.
