

Download Managing Telework Perspectives Management Psychology

In the recent years, there has been an increasing trend in organizations to give teams more responsibility to work on major tasks. More companies are getting to recognize that the best way to meet customer satisfaction, higher quality products, and faster service challenges is through coordinated efforts of employees. It won't come as a surprise to you that I'm a big advocate for the power of technology in performance management. At Cognology, we see the business impact of great performance management technology almost every day. Department of Marketing and Organization, School of Economics.
