

# Download Managing The Investigative Unit

Organization of the investigative unit, whether it is a general assignment or highly specialized unit, is discussed as well as how to determine proper allocation of resources. Selection of investigative personnel is discussed at length, and selection strategies and a structured selection process are outlined very clearly. Methods of developing new investigators as well as mechanisms to train ...Retiring from a police agency in California last year, having worked nine years in investigations, formally a detective sergeant, I found the book, "Managing an Investigative Unit" very informative for the novice and the skilled investigator who aspires to run a detective unit. Investigative marginal performers are then examined, and some useful techniques for managing these individuals are provided. The book will be useful for patrol officers or detectives who are interested in preparing themselves for supervisory or management positions. Those persons already in these positions will also find the book very useful. Managing the investigative unit can be an extremely rewarding part of any law enforcement professional's career, or it can be an absolute nightmare. The goal of this newly revised second edition is to continue to provide the investigative manager with the updated
