Everything I Left Behind (Men with Badges Book 1) - Kindle edition by JC Emery, Christina Emery, Sara Eirew. Contemporary Romance Kindle eBooks @ Amazon.com. From Book 1: OJ SIMPSON, CASEY ANTHONY, TRAYVON MARTIN Three of the best known names in the world, figuring in three of the most internationally famous criminal trials of the past quarter century. Yeah the African American community has this problem. Lack of fathers has made Black men really emotional charged which results in high delinquency rates. In 2011 it got an unexpected Darker and Edgier spinoff, Criminal Minds: Suspect Behavior. It was poorly received by the fanbase because it coincided with budget cuts to the original series, and only lasted one season.
