

Download Mixtures And Solutions Video For Kids

In this episode of Crash Course Kids, Sabrina talks about all the different mixtures, solutions, and ants that can be at a picnic. This first series is based on 5th grade science. We're super ...Mixtures and solutions are all over the place, you just have to know what you are looking for to find them. Learn how to define mixture and solution, as well as identify real-world examples of both. Solutions are also mixtures, but all of the molecules are evenly spread out through the system. They are called homogenous mixtures . If you put sand into a glass of water, it is considered to be a mixture.
