However, I have to say this second book in Richard's POV is better than the first. I feel a bit better seeing more of Matthew's interaction with Luke and Richard. In the first book it seems as if Matthew is just an outsider that comes around when the couple need something different. May be read as a standalone, though it is recommended to read in series order. Book 1. More Than This More Than This is book one in the More Than series by Jay McLean. This book was recommended to me by two different friends but I hadn't really read many reviews so it took me by completely by surprise. I WAS NOT prepared for all the feels, and let me tell you, there are plenty. And the hotness factor, oh my gosh, was off the charts.
