The primary focus is on the ways of working that have arisen among ...Narrative Therapy: The Social Construction of Preferred Realities (A Norton professional book) by Gene Combs (1996-05-15) | Gene Combs;Jill Freedman | ISBN: | Kostenloser Versand für alle Bücher mit Versand und Verkauf durch Amazon.This book is still the most cogent and readable introduction to Narrative Therapy. Narrative Therapy is infamously difficult to explain, but these authors have managed it with clarity and simplicity. The example transcripts and therapy descriptions are particularly helpful for learning both how to think about therapy and what to say in that conversation.
