JSTOR is a digital library of academic journals, books, and primary sources. Visit the Laurel Highlands Conservation Landscape and explore conservation spaces that have been created through unique collaborations. We will hike a protected critical green space along the Lincoln Highway Heritage Trail. Climate-smart agriculture (CSA) goes beyond new technologies and practices like drought resistant varieties or precision farming. To achieve the multiple objectives of productivity and food security, enhanced farmer resilience and reduced greenhouse gas emissions, CSA must adopt various systems perspectives.
