

Download On The Margins Of A Minority

Overall, *On the Margins of a Minority* provides an excellent model for scholars exploring disability both as medical impairment and social construction. The book is pertinent not only to Jewish Studies but to any genre concerned with the perception of marginalized groups. Shoham-Steiner's readings of the rabbinic literature are particularly important because they make peripheral figures in those works—the disabled—the central focus. *On the Margins of a Minority*. by Ephraim Shoham-Steiner. Thanks for Sharing! You submitted the following rating and review. We'll publish them on our site once we've reviewed them. Explores social attitudes towards individuals on the margins of medieval European Jewish society. In medieval Europe, the much larger Christian population regarded Jews as their inferiors, but how did both Christians and Jews feel about those who were marginalised within the Ashkenazi Jewish community? *On the Margins of a Minority* Shoham-Steiner, Ephraim. Published by Wayne State University Press Shoham-Steiner, Ephraim. *On the Margins of a Minority: Leprosy, Madness, and Disability among the Jews of Medieval Europe*.
