Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required. Synopsis The Demise of Our Culture Probing answers of what the culture once was to the present, and how it has changed over the years. The book is based on authentic historical examples. India has three qualities that attract American companies. First, the labor force already speaks English. Second, its universities are among the highest-ranked in the world. Third, its legal system is similar to the United States, since both are rooted in the British system.
