

Download Performing Respiratory Assessment

This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. Respiratory therapy is best described as the assessment and treatment of patients with both acute and chronic dysfunction of the cardiopulmonary system. Nursing assessment is the gathering of information about a patient's physiological, psychological, sociological, and spiritual status by a licensed Registered Nurse. California State University, Chico is the second-oldest campus in the 23-member CSU system, the nation's largest public university system. Its mission includes a broad commitment to environmental sustainability, public service and community engagement throughout the 12-county North State region where the campus is located.
