The Maths department at King Solomon Academy aims to provide a demanding and interesting curriculum that enables pupils to discover patterns in data, marvel at naturally occurring Mathematical structures and appreciate how processes link to their wider applications. Would you like to know everything about mathematics? Do you think that is impossible? It isn't if you are willing to read and study many books and videos. PROBLEM POSING. Students have asked me, on several occasions, "Is there any math after calculus?" These students have been given the impression that the world of mathematics is both finite and linear (the classic algebra-through-calculus sequence).
