Since 1976 I have professionally consulted for hundreds of people seeking cruising boats. My experience in the marine industry is unique; 332,000 miles and 38 years worldwide ocean sailing experience plus boatbuilding, surveying and previously owning a yacht brokerage. Transitioning to Life at Sea (Elayna) All the comforts of living in a house on land are either thrown away upon moving on board and forgotten about, or compressed into a tiny appliance suitable for a boat. So We Did Some Research... We have had several potential students say they wanted a 'sailing certification course' in order to make them eligible for discounts on bareboat charters and/or boat insurance. Throughout history sailing has been instrumental in the development of civilization, affording humanity greater mobility than travel over land, whether for trade, transport or warfare, and the capacity for fishing.
