

Download Serials Management In Libraries

Notices. The University Libraries will be closed on Monday, January 21 in honor of Martin Luther King, Jr. Day. The UM Libraries provide faculty, students, researchers, and staff with the highest quality access to collections and information resources in support of the University's mission to transform lives through research, teaching, and service. SERIALST. SERIALST (Serials in Libraries Discussion Forum) was established in October 1990, by Birdie MacLennan, with technical support from the Office of Academic Computing at the University of Vermont (UVM), in order to serve as an informal electronic forum for most aspects of serials processing in libraries. EDINA is a centre for digital expertise and online service delivery at the University of Edinburgh. We are a division of Information Services.
