TRANSFORMATION TOWARDS SUSTAINABLE AND RESILIENT SOCIETIES: This joint report by ESCAP, ADB and UNDP takes stock of the changing nature of increasingly complex risks in the Asia-Pacific, affecting prospects for achieving the Sustainable Development Goals. Pursuant to ESCAP resolution 72/6 Committing to the effective implementation of the 2030 Agenda for Sustainable Development in Asia and the Pacific, Governments and other stakeholders will convene at the Asia-Pacific Forum on Sustainable Development (APFSD 2017) on the theme of “Eradicating poverty and promoting prosperity in a changing Asia
