

# Download The Alchemy Of Forever Incarnation 1

## Avery Williams

THE ALCHEMY OF FOREVER, a 2012 debut by Avery Williams, promises the mix of immortality with the drama of teenage discovery. I didn't know what to expect diving into this otherwise, except for the fact that at 256 pages, it was going to be a quick read. Sadly, quick read is pretty much one of the few things this story has going for it. The plot flows quickly with good writing (at times just a tad clunky) and the pacing is smooth, but things go downhill quickly from there. Providing readers with a thoroughly interesting and unique perspective on incarnation, Avery Williams has great promise to offer with her Incarnation series, a good portion of which is executed in The Alchemy of Forever. Avery Williams Average rating: 3.82 · 6,427 ratings · 846 reviews · 6 distinct works • Similar authors The Alchemy of Forever (Incarnation, #1) Now she makes her home in Oakland, California, with her husband and a cat named Vendetta. She enjoys riding her bicycle around town and working on her hundred-year-old house. She is the author of The Alchemy of Forever and The Impossibility of Tomorrow.
