Poison Cornflakes for Breakfast. SGM Herbert A. Friedman (Ret.) Modified versions of this article were first published in the Society of Philatelic Americans Journal, Volume 34, No. 6, February 1972, and the German Postal Specialist, Volume 38, No. 2, February 1987. This is a list of books about Nazi Germany, the state that existed in Germany during the period from 1933 to 1945, when its government was controlled by Adolf Hitler and his National Socialist German Workers' Party (NSDAP; Nazi Party). Victims of Hitlerism still have to endure this symbol when entering a government building. That this building served a key role in the unrestrained plundering of the Jews during the Nazi period, its continued existence is all the more striking.
