

Download The Great Upheaval America And Birth Of Modern World 1788 1800 Jay Winik

The Great Upheaval: America and the Birth of the Modern World, 1788-1800 [Jay Winik] on Amazon.com. *FREE* shipping on qualifying offers. It is an era that redefined history. As the 1790s began, a fragile America teetered on the brink of oblivion. This book, however, deserves more acclaim than that. It presents, and argues convincingly for, a thesis — i.e., that representative democracy established itself against all odds during this period, 1788–1800, and the world is the beneficiary of America's experiment. The book does this by contrasting events in France and Russia during the same period. With "The Great Upheaval: American and the Birth of the Modern World" Jay Winik sets out to tell three stories simultaneously: American, French, and Russian history between 1788-1800. He mostly succeeds and frequently goes above and beyond this story by giving a great deal of history prior to 1788 as well. THE GREAT UPHEAVAL America and the Birth of the Modern World, 1788-1800. By Jay Winik. Illustrated. 659 pp. Harper/HarperCollins Publishers. \$29.95. Joseph J. Ellis is the Ford Foundation ...
