Build Your Own Humanure Toilet!, The Humanure Handbook, How to use a Humanure Toilet - Composting human waste, recycling human excrement, using a compost toilet, ecological sanitation, making a compost bin, using a compost thermometer, composting animal mortalities, thermophilic composting. Compost (/ ˈk ɒ m p ɒ s t / or / ˈk ɒ m p oʊ s t /) is organic matter that has been decomposed in a process called composting. This process recycles various organic materials otherwise regarded as waste products and produces a soil conditioner (the compost).
