

Download The Power Of Starting Something Stupid How To Crush Fear Make Dreams Happen And Live Without Regret Richie Norton

This book plants a seed of dreams... dreams that you had when you were young and planned on owning something or starting something amazing. I think one of the quotes in this book that I found so memorable in this book was that you only have 2 things that you can add to your person or to increase yourself. The books you read and the people you know. All the rest is glitter and fake charm like cars and toys. How to Crush Fear, Make Dreams Happen, and Live Without Regret. Sometimes the sense of fear can overwhelm us, but not even that can be an alibi for not taking action. The Power of Starting Something Stupid: How to Crush Fear, Make Dreams Happen, and Live without Regret. In The Power of Starting Something Stupid: Make Dreams Happen, and Live without Regret, Richie Norton, shows you how to push past fear, get over analysis paralysis, and do what you were born to do. It's a book about bringing your "crazy" ideas to life, and getting over the hump, the inertia, and the stigma of "stupid" ideas.
